**Kemlite**<sup>®</sup>

A Crane Co. Company

# Filoplated<sup>®</sup> Smooth Sidewall

filon.com

Before you make your purchase decision, make sure your investment is protected with a quality Filon Filoplated smooth sidewall finish. Here's why.

## FEATURES

- PERFORMANCE HISTORY
- EXCELLENT WEATHERING PROPERTIES
- NO DENTING
- CLEANABILITY
- STAIN RESISTANCE
- STRUCTURAL INTEGRITY

## BENEFITS

- Filon's Filoplated Smooth Sidewall Finish quality is backed by over 25 years of quality field performance
- Maintaining your vehicle's quality appearance enhances its resale value.
- Unlike metal, your Filon Filoplated Smooth Sidewall Finish will not cause unsightly pockets where rust or oxidation can form.
- Road grime can easily be removed with normal cleaning maintenance, helping retain the resale value of your vehicle.
- Your Filon Panel Finish is designed to resist staining and looks good year after year.
- Filon Filoplated Smooth Sidewall Finish can be applied in single piece construction, eliminating seams that can break open and cause water damage.
