

GLASBORD

The Only FRP panel with *Surfaseal*

Since 1954 Glasbord protected by Surfaseal has been the industry standard for frp wall & ceiling panels. **Surfaseal provides extra protection against mold, mildew and stains.** Durable, cleanable, easy to install Glasbord is the panel your project demands backed by the service you deserve.

Fire-X Glasbord FM is the only fiberglass reinforced interior wall panel that is accepted under Factory Mutual Research Approved FRP, Class 1 Interior Finish Material in accordance with Factory Mutual Research Approval Standard 4880.

Only Glasbord panels can be identified before installation by colored threads on the back. After installation, Glasbord can be identified by a Translucent Plastic Thread with Fluorescent Pigment Design® embedded in the front of the panel and visible by black fluorescent lighting.
