

DESIGNS Collection | Custom Pattern Wall Panels

Take your surfaces beyond the traditional frp white bumpy board. With our DESIGNS resilient wall coverings, bring both style and durability into any commercial space. No need to sacrifice aesthetics for hygiene – Crane DESIGNS offers you endless options to create the look you are envisioning for your walls.

DESIGNS | COASTAL CANVAS

Enhance the style of any space, with our unique pattern collection that add depth and dimension to your surfaces. DESIGNS comes in 19 standard styles, or you can create a custom look in any design you choose, even company logos. And we've made the customization process simple, ensuring you have the product you need, when you need it. Beyond the beauty, DESIGNS delivers stain, abrasion and moisture resistant walls that are easy to clean and easy to install. DESIGNS provides a simple, stylish solution for your walls that's designed to last.

over **19 options** design + endless custom opportunities

MANUFACTURING FOR OVER 60 YEARS!

A global leading provider of resilient wall and ceiling coverings. **Kemlite®** was established in 1954 and the company changed names to Crane Composites in 2007. Crane Composites is headquartered in Channahon, IL and all our products are manufactured in the United States. We work with hundreds of distributors, ensuring our products are easily accessible and readily available to our customers.

USDA/FSIS CERTIFIED

DESIGNS panels meet USDA/FSIS requirements for a finished outer surface material that is rigid, durable, non-toxic, non-corrosive and moisture resistant.
