

# VARIETEX® Innovative Textured and Colored Wall Panels

Take your surfaces beyond the traditional frp white bumpy board. Our Varietex resilient wall coverings offer you a wide range of stylish finishes and colors, while still meeting the sanitary requirements of even the toughest commercial environments.

SANDSTONE | CLASSIC COLLECTION | ALMOND BREEZE (866)

Add depth and dimension to walls, with our unique textures including sandstone, linen, tile and beaded finishes. Beyond the beauty, Varietex offers all the same benefits of traditional fiberglass reinforced plastic (FRP) wallcoverings, including stain, abrasion and moisture resistance. Plus it's easy to install and even easier to keep clean. Varietex provides stability and a simple, stylish solution for your walls that's designed to last.

**4 textures** + 20 color options

### MANUFACTURING FOR OVER 60 YEARS!

A global leading provider of resilient wall and ceiling coverings. Kemlite® was established in 1954 and the company changed names to Crane Composites in 2007. Crane Composites is headquartered in Channahon, IL and all our products are manufactured in the United States. We work with hundreds of distributors, ensuring our products are easily accessible and readily available to our customers.

### USDA/FSIS CERTIFIED

VARIETEX panels meet USDA/FSIS requirements for a finished outer surface material that is rigid, durable, non-toxic, non-corrosive and moisture resistant.
