

VARIETEX® Innovative Textured and Colored Wall Panels

Take your surfaces beyond the traditional frp white bumpy board. Our Varietex resilient wall coverings offer you a wide range of stylish finishes and colors, while still meeting the sanitary requirements of even the toughest commercial environments.

VARIETEX SANDSTONE | MORNING MIST GRAY (636)

Add depth and dimension to walls, with our unique textures including sandstone, linen, tile and beaded finishes. Beyond the beauty, Varietex offers all the same benefits of traditional fiberglass reinforced plastic (FRP) wallcoverings, including stain, abrasion and moisture resistance. Plus it's easy to install and even easier to keep clean. Varietex provides stability and a simple, stylish solution for your walls that's designed to last.
