

## Crane Composites Florence Summer Outing

Channahon, IL (July 20, 2016) — Crane Composites®, the world's leading provider of fiberglass reinforced plastic (frp) materials recently held its company Summer Outing for the Florence facility. The event was at Coney Island in Cincinnati, Ohio on Saturday, June 17<sup>th</sup>.

The Summer Outing is a chance for Crane Composites' employees and their families to enjoy an abundance of fun and have a great time together. Over 150 people came out to enjoy the festivities that included food, games, and raffles. "These events are such a fantastic time," said Drew Franzen, Vice President, Building Products. "And the Summer Outing always allow for such a great opportunity to get all of our employees together." At the Summer Outing there was a drawing for prizes for all the employees. Prizes that were raffled off this year included grills, tents, tool kits, wagons, tackle boxes, coolers, just name a few. "The Summer Outing has not happened in a few years and I am so glad to see it has been brought back this year," said Nick Klinedinst, Plant Manager at our Florence, Kentucky facility. "I always enjoy going to these because they are always done so well and moving forward, we are hoping to do an event every year for our facility!"

### About Crane Composites

Crane Composites Inc., a subsidiary of Crane Co. (NYSE:CR), is the world's leading provider of fiber-reinforced composite panels. We combine our expertise in composite material science, process and technology with a deep understanding of customer needs to deliver innovative products that outperform traditional metals and woods.
