

Crane Composites Goshen Summer Picnic

Channahon, IL (August 9, 2017) — Crane Composites®, the world's leading provider of fiberglass reinforced plastic (frp) materials recently held its 4th annual company picnic for the Goshen, IN facility. The event was held at the Elkhart County Fair in the company picnic fairgrounds on Sunday, July 23rd.

Crane's summer picnics are a chance to thank its employees and enjoy a fun time together with employees and their families. Over 700 people came out to enjoy the event that included amazing catered food, raffles, and games. "I look forward to this event every year," said Jack Stambaugh, Vice President, Recreational Vehicles. "It is a great opportunity to get all our employees together and meet their families." At the summer picnic, Crane was able to offer a wide range of prizes to their employee's kids in thanks to several sponsored vendors. "It is great to see how excited all the kids are during the raffle," said Mike Ridge, Plant Manager at our Goshen, Indiana facility. "This is a new tradition that keeps getting better every year!"

About Crane Composites

Crane Composites Inc., a subsidiary of Crane Co. (NYSE:CR), is the world's leading provider of fiber-reinforced composite panels. We combine our expertise in composite material science, process and technology with a deep understanding of customer needs to deliver innovative products that outperform traditional metals and woods.
