

# FILON® FLEXROOF

embossed & smooth roof panels

Roof panels that are specifically engineered to be a one-piece, laminated roof panel finish for recreational vehicles and campers. Its flexibility allows the panel to bend around the radius where the roof meets the sidewall, resulting in a seamless, no-leak roof system.

#### UV INHIBITORS

Provide superior weathering performance.

#### SURFACE OPTIONS

Available in a highly scratch and abrasion resistant embossed finish or smooth gel-coat finish.

#### SCRATCH RESISTANT

Hard-abuse resistant finish prevents tearing - avoiding water damage.

application:

**recreational vehicles**

## get more of what you rv for

To get more out of every mile and every moment, choose Crane Composites fiberglass panels for your vehicle. Crane Composites is the leading manufacturer of fiberglass products for the RV industry. Our fiberglass interior and exterior walls are tested to deliver unmatched durability and long lasting beauty.

### more comfort
