DESIGNS collections + custom imaged wall panels
OVER 65 OPTIONS + ENDLESS CUSTOM OPPORTUNITIES
DESIGNS collections + custom imaged wall panels

Imagine your artwork on a wall. Crane Composites brings your concept to reality with vibrant breathtaking details. Ask for alterations to one of our existing patterns or create your own unique design. Give life to your custom look in any arrangement you choose including logos, artwork, or corporate identity with vibrant high-resolution imagery.

DESIGNS resilient wall coverings, bring both style and durability into any commercial space. No need to sacrifice aesthetics for hygiene.

When you need grace under pressure, fiberglass reinforced plastic (FRP) panels are the perfect choice for your walls. From moisture and germs to daily dirt and grime, our FRP panels are able to stand up to even the toughest environments - without sacrificing style and beauty.

As the first and largest global manufacturer of FRP wall paneling, Crane Composites offers the industry’s most innovative and resilient FRP panels, backed by our expert technical and installation support staff.

more than 65 years
A global leading provider of resilient wall and ceiling coverings. Kemlite® was established in 1954 and the company changed names to Crane Composites in 2007. Crane Composites is headquartered in Channahon, IL and all our products are manufactured in the United States. We work with hundreds of distributors, ensuring our products are easily accessible and readily available to our customers.

greenguard certified
All Crane Composites wall and ceiling coverings have earned GREENGUARD Certification for low chemical emissions, issued by UL Environment. This certification reflects our dedication to improving the quality of our products, while using low-emitting materials in their construction.

Thanks to their environmental benefits, the use of Crane Composites products may also contribute to earning LEED® certification.

BRING YOUR CONCEPT TO REALITY

PHOTOGRAPHY

Utilize high resolution photography for stunning interior walls. At the University of Michigan Crisler Center, various athletic event photographs were printed in the iconic Michigan blue color.

BRANDING

Easily add your logo to an existing pattern, solid color, or image. The Revolving Kitchen in Dallas, TX added their logo to an open kitchen setting.
ILLUSTRATIONS

Create your own unique design on a blank canvas for endless options. Joliet West High School in Illinois features a unique word cloud pattern that showcases team spirit in the locker room, while a full wall mural boldly accents the dining room bar at Maple Landing in Dallas, TX - which started as a drawing on a tablet.

PATTERNS

Crane's imaging capabilities are endless with unique patterns and colors with accurate shadowing. A Midwest deli restaurant created a tile-look pattern on a full FRP panel.

VARIATIONS

After an existing pattern by adding corporate identity to a panel or modifying colors. Barry’s Bagels in Troy, MI utilized our DESIGNS Payette from the Forest collection while added their logo and slogan to accentuate the desired brand image.
Finishing Touches  Seam Treatment Accessories

**SILHOUETTE TRIMS**
Silhouette Trims offer a narrow profile to minimize the seam. Crane Composites Silhouette Trims feature patterned expansion control guides to assist with proper FRP installation. Available in 10' lengths in Classic collection.

**COLOR SIL COLOR-MATCHED CAULK**
Use Color Rite’s Color Sil caulk for professional looking panel installations without the use of moldings. Crane has teamed up with Color Rite to provide materials that compliment Crane wall panels in over 40 colors. Use with Color Rite’s Pre-Tooling Mist to install with ease.

**Aluminum Trims**
Designed for a contrasting and upscale look. Available in 10' lengths in silver color.
